Good morning Kevin,

We have officers in Comber, which is mostly made up of personal vehicles, about 100 last I heard. They just left there a few minutes ago and information is that there are semi's strategically placed throughout the county off the 401, ready to join that convoy. We shall know more very shortly. SM posts advise they are going to occupy the area around the bridge in a "bear hug" and shut it down.

I will advise as soon as I know more.

Jay

Wanted to check in to see how things are going in Windsor this morning. As you are aware we are being requested to support Ottawa with the situation there. We will have to balance operational response in all of our border points especially Windsor, Sarnia, Erie etc.. evaluating what is going on in those locations will assist with our decisions. Hoping this is short lived and peaceful.
Kev
